In re Application of  
BERHNARDT, et al. : DECISION ON PETITION  
Application No.: 10/512,737 :  
PCT No.: PCT/EP03/03973 : UNDER 37 CFR 1.137(b)  
Int. Filing Date: 16 April 2003 :  
Priority Date: 29 April 2002 :  
Atty. Docket No.: BERNHARDT ET AL 2 PCT :  
For: TRANSPORT SYSTEM IN BIOLOGICAL :  
SYSTEMS :  
:

The renewed petition to revive under 37 CFR 1.137(b) filed 12 December 2006 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" and the prompt filing of the petition satisfies the requirement of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has currently provided a compliant raw sequence listing which has been entered by the Biotechnology Systems Branch of the Scientific and Technical Information Center (STIC). Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America. Further, a review of the application file reveals that all of the requirements of 35 U.S.C. 371 for entry into the national stage in the United States have been satisfied.

The application has an international filing date of 16 April 2003 under 35 U.S.C. 363 and will be given a date of **16 June 2005** under 35 U.S.C. 371(c)(1), (c)(2) and (c)(4).

This application is being returned to the United States Designated/Elected Office (DO/EO/US) for treatment in accordance with this decision.
